Exiting Credentials that are Not Diplomas: Career Development and Occupational Studies (CDOS) Credential

The CDOS Commencement Credential is unique as it can serve three purposes:

- a pathway to a diploma (as the +1 assessment option);
- an addition to a diploma; or
- an exiting credential.

- Available to all students
- Students attempt, but do not successfully complete all the New York State diploma requirements
- Students must complete all the CDOS Commencement Credential requirements

Exiting Credentials that are Not Diplomas: Skills and Achievement Commencement Credential

- Available to Students with Disabilities assessed using the NYS Alternate Assessment
- Must be accompanied by documentation of the students' skills and strengths and levels of independence in academic, career development and foundation skills needed for post-school living, learning and working
- The credential may be issued at any time after such student has attended school for at least 12 years, excluding kindergarten, or has received a substantially equivalent education elsewhere, or at the end of the school year in which a student attains the age of 21.

Optimistic Closure: Suit Yourself!

Something from the heart

How did you feel?
What did it mean to you?

Used to dig in the garden

What new ideas were planted? What ideas were dug up?

Things that grew

What new ideas, new thoughts, or new points of view emerged?

Gems that last forever

What are some of the gems of wisdom gathered from people or content?

Thank you!
